MAGGIE GRAY

Kettering, Northamptonshire ✴ 07847451279 ✴ hello@maggiegray.co.uk

SUMMARY

As a passionate and dedicated web developer, I thrive in the dynamic digital world, constantly driven by curiosity and a commitment to innovation. My journey began with transforming static designs into interactive experiences, and I now excel in both front-end and back-end technologies. I pride myself on crafting clean, efficient code and collaborating effectively to bring visionary ideas to life. My enthusiasm for web development merges my love for technology with a passion for problem-solving and design.

EXPERIENCE

GRAPHIC DESIGNER (PART-TIME)

Freelance

2016 - 2023

- Provided clients with professional freelance graphic design services.
- Utilised Adobe InDesign to create images and layouts based on client briefs.
- Presented creative designs, incorporated feedback, and achieved positive outcomes.
- Adhered to brand guidelines to produce consistent, high-quality branded content.
- Generated digital image files for both digital and traditional printing methods.
- Managed deadlines effectively to deliver polished, functional, and visually appealing materials on time.

Software included:

- Adobe InDesign, Illustrator, Photoshop

Clients included:
